Dear Sir,

I would like to submit the manuscript entitled "*Enhancing Waqf Accountability: Nazhir's Perspective Towards Waqf Reporting*" by Sandra Monica, Murniati Mukhlisin, and Dede Abdul Fatah, to be considered for publication as original research article in Signifikan Journal.

This research explores the waqf reporting as a form of accountability from waqf institution in obtaining trust from community. The trust in waqf institution is believed to be a determinant factor to enhance waqf donation and the numbers of donors. In the light of effort in reviving the contribution of waqf towards many sectors, it is important for waqf institution to put attention in this reporting issue to attain their main objective, i.e. delivering continuous benefit to community. We believe that this research will be of interest to the readers of your journal.

We declare that the manuscript is original, has not published before, and is not currently being considered for publication elsewhere.

We know of no conflict of interest associated with this publication, and there has been no significant financial support for this work that could influenced its outcome. As corresponding author, I confirm that the manuscript has been read and approved by all the named authors.

Please address all correspondence concerning this manuscript to me at smonica.asw@gmail.com.

Thank you for your consideration on this manuscript.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Smonica' with a stylized flourish at the end.
