Date Received:

1. I/We submit to the Signifikan: Jurnal Ilmu Ekonomi (Journal of Economics). I/We certify that the work reported here has not been published before and contains no materials the publication of which would violate any copyright or other personal or proprietary right of any person or entity.

2. I/We hereby agree to transfer to Signifikan: Jurnal Ilmu Ekonomi (Journal of Economics)/ Publisher for the copyright of the above-named manuscript.

3. I/We reserve the following: (1) All proprietary rights other than copyright such as patent rights. (2) The right to use all or part of this article in future works of our own such as in books and lectures. Print or Type Name and Title of Author.

Date:_______________________

Signature

(When there is more than one author, only the first author that sign this copyright)
1. The manuscripts represent academic research in economics discipline.
2. Upon the publication of the manuscript, the author should provide a letter stating that the manuscripts have never been, or under consideration to be, published in other journal publications.
3. Structure of the manuscripts
   a. **Title.** The title should be short, clear, and informative, but does not exceed 9 words.
   b. **Author’s names and institutions.** The author’s names should be accompanied by the author’s institutions and email addresses, without any academic titles and/or job title.
   c. **Abstract and keywords.** The abstract should be less than 150 words. The key words should be 2 to 5 phrases.
   d. **Introduction.** This section explains the background of the study, and aims of the manuscripts. It should be written without numbers and/or pointers.
   e. **Methods.** This section describes the tools of analysis along with the data and their sources.
   f. **Result and Discussion.** This section explains the results of the study.
   g. **Conclusions.** This section concludes and provides policy implications, if any, of the study.
   h. **References.** This section lists only the papers, books, or other types of publications referred in the manuscript.
4. The authors should provide an index of subject, namely the specific term in the manuscript. The authors should also provide the index of authors, namely the key authors of papers referred in the manuscript. Please write the family name followed by the given name.
5. Estimation result from a software package is not allowed to be directly presents in the paper. They should be presented in equations with the appropriate estimation results.
6. Table format should contain only heading and contents. Please provide the top and bottom lines, along with the line(s) that separate the heading and the contents. Example:

   **Table 1. The Growth of Third Party Fund, Financing and Asset (Billion rupiah)**
