WRITING GUIDANCE FOR ETIKONOMI: JURNAL EKONOMI

1. The manuscripts represent academic research in economics, business, and management studies.
2. Upon the publication of the manuscript, the author should provide a letter states that the manuscripts have never been, or under consideration to be, published in other journal publications.
3. Structure of the manuscripts
 - a. **Title.** The title should be short, clear, and informative, but does not exceed 9 words.
 - b. **Author's names and institutions.** The author's names should be accompanied by the author's institutions and email addresses, without any academic titles and/or job title.
 - c. **Abstract and keywords.** The abstract should be less than 150 words. The key words should be 2 to 5 phrases.
 - d. **Introduction.** This section explains the background of the study, and aims of the manuscripts. It should be written without numbers and/or pointers.
 - e. **Method.** This section describes the tools of analysis along with the data and their sources.
 - f. **Result and Discussion.** This section explains the results of the study. Data should be presented in Tables or Figures when feasible. There should be no duplication of data in Tables and Figures. The discussion should be consistent and should interpret the results clearly and concisely, and their significance. It also should supported to suitable literature. The discussion should show relevance between the result and the field of investigation and/or hypotheses. The discussion also should compare the result with previous research.
 - g. **Conclusions.** This section concludes and provides policy implications, if any, of the study.
 - h. **References.** This section lists only the papers, books, or other types of publications referred in the manuscript. We suggest authors to use reference management software like EndNote, Mendeley, Zotero, etc., to prepare citations and the list of references.
4. The authors should provide an index of subject, namely the specific term in the manuscript. The authors should also provide the index of authors, namely the key authors of papers referred in the manuscript. Please write the family name followed by the given name.
5. Estimation result from a software package is not allowed to be directly presents in the paper. They should be presented in equations with the appropriate estimation results.
6. Table format should contain only heading and contents. Please provide the top and bottom lines, along with the line(s) that separate the heading and the contents. Example:

Table 1. The Growth of Third Party Fund, Financing and Asset (Billion rupiah)

	2012	2013	2014	2015	2016	2017
Fundraising	52.271	76.036	115.415	147.512	174.018	186.608
Financing	46.886	68.181	102.655	147.505	179.284	187.886
Asset	66.090	97.519	145.467	195.018	229.557	244.197

Source: Islamic banking statistics, Bank of Indonesia

7. The manuscript is prepared in a quarto paper, single-sided, and double-space format. A new paragraph should start 5 characters from the left margin, using 12-size, garamond font type.
8. The manuscript is written in proper English, either British or American English, but not the combination of both, except for special editions.
9. The top and bottom margins are 1 inch.
10. The title is written using capital letters of 14 font size, centre position.
11. Sub titles are written using capital letters, started from the left margin.
12. Sub of sub titles are written using capital letters only at the beginning of each word except for connecting words. They should be started from the left margin.
13. References should be those of the last ten years publication, unless they are key references.
14. Citation in the text body should be written using the family name and years of publication.
Example:
 - a. Hill (2001) suggests that the objective of depreciation
 - b. According to Kotler (2010), intra industry trade can be ...
 - c. Wagner (in McCain, 1990) states that ...
 - d. The definition of flypaper effect is ... (Wagner, 1976).
15. Tables and figures should be presented as follows:
 - a. The name of tables and figures should follow a numbering system (Arabic numbering system). The names of the tables and figures are on the top and bottom parts of the tables, respectively.
 - b. The tables and figures should provide the source of information, if any, at the bottom part of both.
16. References should be written in alphabetical order, without any number. They should be written using the following criteria:
 - a. For books, the format should follow the following example:
Al Arif, M. N. R. 2015. *Pemasaran Stratejik Pada Asuransi Syariah*. Jakarta: Gramata.
 - b. For papers that are part of a book, the format should follow the following example:
Bahl, R. 2000. *How to Design a Fiscal Decentralization*. in Sahid, Y. (eds.), *Local Dynamics in an Era of Globalization*, 25-26, London: Oxford University Press.
 - c. For journal/magazine papers, the format should follow the following example:
Keong, Y. C. (2005). Energy Demand, Economic Growth, and Energy Efficiency –The Bakun dam-induced Sustainable Energy Policy Revisited. *Energy Policy*, 33(5), 679-689. <https://doi.org/10.1016/j.enpol.2003.09.017>.
17. The manuscript in microsoft word should be sent through online submission at: <http://journal.uinjkt.ac.id/index.php/etikonomi/user/register>; or, through email to: etikonomi@uinjkt.ac.id

18. A brief CV that records full name, academic title, institution, telephone, fax and mobile number should accompany the manuscript.
19. The decision of the manuscript are:
 - a. Accepted, or
 - b. Minor revision, or
 - c. Major revision, or
 - d. Rejected.
20. Further information about the journal can be seen at <http://journal.uinjkt.ac.id/index.php/etikonomi>
