Mobile number : 082134901660
E-mail : ys120@ums.ac.id

As the corresponding author in the manuscript entitled:

ENDOPHYTIC BACTERIA FROM BANANA PLANTS IMPROVE THE GROWTH OF RICE (*Oryza sativa*) AND MAIZE PLANT (*Zea mays*)

With the author's order:

- (1) Defina Anggita Silviani
- (2) Triastuti Rahayu
- (3) Alanindra Saputra
- (4) Ninik Nihayatul Wahibah
- (5) Donny Widiyanto
- (6) Yasir Sidiq

Stated that the manuscript that I submitted to Al-Kauniyah: Jurnal Biologi is:

1. Does not contain elements of plagiarism, according to applicable regulations
2. Not being submitted to other journals
3. Not being processed to be published in any form of publications
4. All authors have agreed to the author's order and agreed to the final form of the manuscript
5. Willing to bear the risk of the accuracy of the data and will not hold the editor responsible for the data errors provided.

Thus, I make this statement in truth, and I am willing to accept all actions taken by the Editorial Board of Al-Kauniyah: Jurnal Biologi, if in the future it is proven that one or more of my statements are incorrect.
