OBJECTIVE

A lecturer having a passion to teach and motivate students through active and fun learning.

SKILLS

Agile Software Development
Qualitative Research (NVivo)
Software Engineering
Information System
Development

EXPERIENCE

LECTURER • UNIVERSITAS RIAU • 2008 - PRESENT

Handling lectures for the following subjects: Analysis and Development of Information System, Information Technology Governance and Audit, Process Business Analysis and Process Business Modelling. Conducted a research and assisted students in a final project.

LECTURER • PRIVATE INSTITUTION IN NEW ZEALAND • 2016 - 2017

Handled lectures for the following subjects: E-commerce, developed quizzes, exams, and homework, and experience in pre- & post-moderation

LECTURER • STT-PLN- JAKARTA • 2005 - 2008

Handled lectures for the following subjects: Object oriented Programming (Java), Filing System, and Database Management System

EDUCATION

PHD • NOVEMBER 2018 • THE UNIVERSITY OF AUCKLAND

PhD (Software Engineering) with the dissertation title: *Knowledge Management and Reflective Practice in Two Major Agile Practices*

MAGISTER • SEPTEMBER 2008 • UNIVERSITAS INDONESIA

Master of Information Technology (MTI) with the thesis title: *Pengembangan Software Requirement Specification Pattern dalam Sistem Informasi Akademik (English: The Development of Software Requirement Specification Pattern for Academic Information System)*

BACHELOR • SEPTEMBER 2008 • SEKOLAH TINGGI TEKNIK PLN

Bachelor of Engineering (ST) with the thesis title: *Pengembangan ALICE Chatbot dengan menggunakan Artificial Markup Language (AIML) (English: The Development of ALICE Chatbot using AIML)*

HONORS & AWARDS

LPDP SCHOLARSHIP • 2013 - 2017 • THE UNIVERSITY OF AUCKLAND

Recipient LPDP Scholarship for pursuing PhD in The University of Auckland.

RESEARCH EXPERIENCE

Dissertation, *Knowledge Management and Reflective Practice in Agile Software Development*

Advisor: Dr. Rashina Hoda and Prof. Robert Amor

Contribute to research activities by facilitating linkages with academic and other relevant organizations. Observe and interview participants from software industry (Agile practitioners). Analyse qualitative data, generate the results and build a theoretical framework. Participate in research seminars and invited talks locally, nationally and internationally to foster research improvement.

Master Thesis, *Software Requirement Specification in Academic Information System*

Contribute to research activities by facilitating linkages with academic and other relevant organizations. Analyze system requirement and the commonality, generate the results and build a theoretical framework.

VOLUNTEER EXPERIENCE OR LEADERSHIP

TREASURY • 2017 • IEEE WOMEN IN ENGINEERING NORTH NZ SECTION

Managed website and social media (promoted events and organized local events).

STUDENTS VOLUNTEER • 2017 • AGILE XP CONFERENCE, GERMANY

Managed and assisted conference attendance - coordinated events in particular even in the conference.

CONFERENCE AND TALKS**PRESENTER • 2019 • KONGKOW IT**

Topic: Software Teams Get Closer to Agile

PRESENTER • 2018 • KSL-UR

Topic: Introduction – Agile Software Development

PRESENTER • 2017 • AGILE INDONESIA CONFERENCE

Topic: Agile Research: Knowledge Management and Reflective Practice in Agile Software Development

PAPER PRESENTATION • 2016 - 2017 •

1. Understanding Knowledge Management in Agile Software Development, International Conference on Knowledge Science and Engineering Management (KSEM), Melbourne, July 2017
2. *Knowledge Management and Reflective Practice in Agile Software Development* (doctoral symposium), International Conference on Agile Software Development (XP), Cologne, Germany, 22-26 May 2017
3. *Reflective Practice in Agile Retrospective Meeting*, International Conference on Agile Software Development (XP), Cologne, Germany, 22-26 May 2017
4. *Understanding Knowledge Management and Reflective Practice in Agile Software Development* (doctoral symposium), Asia Pacific Software Engineering Conference (APSEC), Hamilton, New Zealand, 9 December 2016
- 5.
