As the corresponding author in the manuscript entitled:

S. cerevisiae's POTENTIAL APPLICATION IN IMPROVING QUALITY OF YOGURT PRODUCED IN SUBOPTIMAL FERMENTATION CONDITIONS

With the author's order:

- (1) Andreas Binar Aji Sukmana
- (2) Elizabeth Betty Elok Kristiani
- (3) Rifky Adi Wicaksono

Stated that the manuscript that I submitted to Al-Kauniyah: Jurnal Biologi is:

1. Does not contain elements of plagiarism, according to applicable regulations
2. Not being submitted to other journals
3. Not being processed to be published in any form of publications
4. All authors have agreed to the author's order and agreed to the final form of the manuscript
5. Willing to bear the risk of the accuracy of the data and will not hold the editor responsible for the data errors provided.

Thus, I make this statement in truth, and I am willing to accept all actions taken by the Editorial Board of Al-Kauniyah: Jurnal Biologi, if in the future it is proven that one or more of my statements are incorrect.

Salatiga, May 3, 2024

(Andreas Binar Aji Sukmana)

(Elizabeth Betty Elok Kristiani)

(Rifky Adi Wicaksono)
